**Bill Kuisle knows southeast Minnesota needs an experienced, hardworking voice willing to put people before politics. He's asking for your support and vote to put his straightforward, common sense leadership back to work for Olmsted and Wabasha counties.**

**On Education:**

- Fair funding for our schools equivalent to the dollars received in the Twin Cities*
- Accountability in our schools to ensure our children can compete anywhere in the world*
- A commitment from four year colleges to graduate our students on time, thereby saving tuition dollars*
- Advancement of the four year U of MN-Rochester*

**On Health Care:**

- Health Savings Accounts to empower consumers and help control costs*
- Advance genomics research and the Mayo Clinic / U of MN partnership*
- Medical malpractice reform to protect doctors and medical professionals from frivolous lawsuits*

*Where does Bill stand?*

**On Family and Taxes:**

- Control state spending with regular review and elimination of ineffective programs*
- Reduce the tax burden on working families and keep property taxes in check*
- Preserve traditional marriage*

**On Jobs and Agriculture:**

- Position our area to lead the economic revolution in biotechnology and genomics*
- Protect the solvency of public and private sector retirement funds*
- Expand and promote Minnesota's unique ability to produce our own energy - ethanol, biodiesel, wind and other renewable energy sources*
